

OTTAWA 2023

64TH WORLD STATISTICS CONGRESS

ISI WSC 2023 - Ottawa

Meet us in Canada's Capital City

ISI and Associations

The [International Statistical Institute](#) will host its [64th World Statistics Congress](#) from 16-20 July 2023 in Shaw Conference Centre in the heart of Ottawa, Canada. The ISI was formally established in 1885. With [seven Associations](#) dedicated to specific statistical fields, the ISI & its Associations have more than 4,000 members from all over the world. There are many [membership options](#) for individuals and organisations.

World Statistics Congresses

The ISI started its International Statistical Congresses in 1853 in Brussels. The [WSCs](#) take place every two years in a different country and typically attract 2,200 delegates for a full week. The Scientific Programme has more than 130 invited paper & special topic sessions, and about 75 contributed paper & posters sessions. In addition, there are various administrative and open meetings of the ISI, Associations & Special Interest Groups. A unique feature of the WSC is the social programme for delegates & accompanying persons to experience the local culture.

Shaw Centre and Ottawa

[Shaw Centre](#) is an engineering & architectural marvel overlooking the Rideau Canal, UNESCO World Heritage Site, and ranks in the top 3 convention centres worldwide. WSC 2023 will have exclusive use of the 200,000 square foot venue. From Shaw Centre, you can walk to many of the major hotel chains. The international airport is a 15-minute drive from downtown Ottawa with many direct flights from major North American cities to flights with 1 stopover from major international cities.

There is something for everyone in Ottawa & lots within walking distance. There are museums from works of art to the largest indoor collection of totem poles to many outdoor activities and festivals. You can see incredible views of Parliament Hill from the National Gallery of Canada. Ottawa has excellent shopping and dining options at ByWard Market, where delegates can meet colleagues and friends. With a new light rail system, you can quickly travel within Ottawa.
